The workshop's goal is to address specific issues on the implementation of G.O. 69C. All participants should be prepared to identify and discuss specific examples of issues that are raising concerns with the use of the general order. For example, several recent rulings have raised questions regarding the General Order's requirements that it be used for circumstances that are limited, revocable, and do not interfere with existing utility activities. The workshop will cover these plus other issues identified by workshop participants.

Participants are welcome to propose recommendations that they believe will clarify the

implementation of G.O. 69C, but do not interfere with the intent of the General Order.

In view of the comments the Commission has received on the Draft Resolution E-3711 issued March 3, 2003 by the Energy Division, we are calling a workshop to discuss the extent and form of any consumer electronic billing.

We will focus on the electronic billing programs being proposed for residential and small commercial customer, and associated consumer protection measures. We will also ask for explanations of the current billing practices for direct access customers and core aggregators, and of any changes in those practices that are being considered by the public utility corporations. Southern California Edison (Edison), Pacific Gas and Electric Company (PG&E), San Diego Gas & Electric Company (SDG&E), and Southwest Gas (Southwest) should bring proposals for implementing electronic billing, for any consumer protection measures that may be necessary or useful, and for resolving differences they may have with the recommendations set forth in Draft Resolution E-3711. Other parties may also bring proposals.

This workshop is open to all parties. If parties other than PG&E, Edison, SDG&E, and Southwest plan to attend and make proposals, they should contact Maurice Monson of the Energy Division. Please address any questions on the workshop to Maurice Monson at (415) 703-3072 or by e-mail to (mdm@cpuc.ca.gov).

Summary: On May 12, 2003, Kathryn Slater-Carter, Montara Sanitary District (MSD) Board Chair, met with Kevin Coughlan, advisor to Pres. Peevey, in San Francisco. Also present were Scott Millar, Assistant to Jeff Almquist, Supervisor, City of Santa Cruz (City), and Edward W. O'Neill, counsel for MSD and the City. The parties discussed the failure of RWE Aktiengesellschaft (RWE), Thames Water Aqua Holdings GmbH (Thames), American Water Works Company Inc. (AWW) and California American Water Company (Cal-Am) to comply with the commitments they made in A02-01-036 seeking approval of the RWE/AWW merger, and D02-12-068. O'Neill stated that RWE, Thames, AWW and Cal-Am have failed to comply with the commitments they made in A02-01-036 and the conditions imposed in D02-12-068 in two important respects. Millar described extraordinary interest and concern among Felton District ratepayers regarding RWE's acquisition of the local water supply. Slater-Carter added that instead of complying with the Commission's divestiture condition, RWE, Thames, AWW and Cal-Am have sought unilateral extensions of time to comply with the condition, thereby unnecessarily increasing the time and expense to MSD of acquiring the Montara District facilities and have written letters to the Commission in which they have misrepresented MSD's position and the nature of the discussions in confidential settlement negotiations. Slater-Carter also stated that contrary to Cal-Am's claims, price is not the only issue to be resolved between the parties and renewed MSD's request for Commission assistance to facilitate the resolution of remaining issues between MSD and Cal-Am.

---------	------------	---

Summary: THIS IS AN AUGMENTED NOTICE OF AN EX PARTE COMMUNICATION THAT WAS FILED ON MAY 8, 2003, AND APPEARED IN THE CALENDAR OF MAY 14, 2003. On May 5, 2003, Sean P. Beatty, counsel to Calaveras Telephone Company, Cal-Ore Telephone Co., Citizens Telecommunications Company of California Inc., Citizens Telecommunications Company of Tuolumne,

Citizens Telecommunications Company of the Golden State, Ducor Telephone Company, Evans Telephone Company, Foresthill Telephone Co., Pinnacles Telephone Co., The Ponderosa Telephone Co., Happy Valley Telephone Company, Hornitos Telephone Company, Kerman Telephone Co., Sierra Telephone Company, Inc., the Siskiyou Telephone Company, Volcano Telephone Company, Winterhaven Telephone Company (collectively, 'Interested ILECs'), participated in an all-party meeting with Cmmr. Brown. Also present was Cmmr. Kennedy. Beatty stated that the Interested ILECs are impacted by the disparate rating and routing of traffic that occurs through the use of virtual NXXs, that the Interested ILECs are not large companies that can simply forego cost recovery for the use of their networks, and that the use of virtual NXXs can also detrimentally impact rural Internet Service Providers (ISPs) who must compete with ISPs relying on virtual NXXs.

Summary: On May 12, 2003, Kathryn Slater-Carter, Montara Sanitary District (MSD) Board Chair, met with Kevin Coughlan, advisor to Pres. Peevey, in San Francisco. Also present were Scott Millar, Assistant to Jeff Almquist, Supervisor, City of Santa Cruz (City), and Edward W. O'Neill, counsel for MSD and the City. The parties discussed the failure of RWE Aktiengesellschaft (RWE), Thames Water Aqua Holdings GmbH (Thames), American Water Works Company Inc. (AWW) and California American Water Company (Cal-Am) to comply with the commitments they made in A02-01-036 seeking approval of the RWE/AWW merger, and D02-12-068. O'Neill stated that RWE, Thames, AWW and Cal-Am have failed to comply with the commitments they made in A02-01-036 and the conditions imposed in D02-12-068 in two important respects. Millar described extraordinary interest and concern among Felton District ratepayers regarding RWE's acquisition of the local water supply. Slater-Carter added that instead of complying with the Commission's divestiture condition, RWE, Thames, AWW and Cal-Am have sought unilateral extensions of time to comply with the condition, thereby unnecessarily increasing the time and expense to MSD of acquiring the Montara District facilities and have written letters to the Commission in which they have misrepresented MSD's position and the nature of the discussions in confidential settlement negotiations. Slater-Carter also stated that contrary to Cal-Am's claims, price is not the only issue to be resolved between the parties and renewed MSD's request for Commission assistance to facilitate the resolution of remaining issues between MSD and Cal-Am.
